THE PROPERTY

Pear Tree House is located just off Haslemere's High Street and adjacent to Haslemere Museum. The original part of the house is thought to be from the 1920's arts & crafts era, with the fabulous double height vaulted ceiling kitchen/breakfast room converted from an adjoining Victorian coach house. The 24ft kitchen/breakfast room was refitted in 2020 with a superb range of bespoke handmade units, featuring quartz worktops, integrated appliances including a Falcon range cooker and an island topped by a beautiful piece of four-hundred-year-old Scottish oak. Elsewhere, on the ground floor is a triple aspect sitting room with a bay window overlooking the garden and an impressive fireplace with a wood burner. There are three further reception rooms including a family room, dining room and study. On the first floor are four well-proportioned double bedrooms with bedrooms one and two having en-suite bathrooms, with a family shower room servicing bedrooms three and four, with bedrooms two, three and four all having built-in wardrobes. Other features to note, include stripped and treated oak internal doors, double glazed windows, gas central heating and dark engineered oak wooden floors in the kitchen/breakfast room, family room, dining room and study.

THE GROUNDS

Pear Tree House is accessed just off the High Street and has a shingle driveway with parking for at least two cars and a further parking space in a small layby to the front. The beautifully maintained walled gardens feature a west facing sundeck, raised just above the level lawns, the name would suggest there is an ancient pear tree, numerous other fruit trees including apple, apricot, fig and quince. Attractive borders are planted with a number of mature specimen Acer's and there is a fishpond framed by more Acer's and Hosta's. Timber garden store and log store and to the rear an easterly facing courtyard with Astro turf, the prefect area for children to play in.
