THE PROPERTY

8.65 acres of paddocks tucked away with a long access.

Currently split into several fenced paddocks there is a temporary water supply to the land from an adjoining property which will be allowed to continue for a period of six to nine months after purchase. Thereafter the new owner will have to find an alternative source.

The land lies outside any Settlement Policy Area for East Hampshire District Council so there is a presumption against any form of residential development. Temporary field shelters may be allowed on the land.

Access - there is currently a right of way between 46 & 48 Church Road. This right is legally established and confirmed.

Viewings can be undertaken at interested parties leisure. There are horses on the land and respect is asked when walking around the animals.
