HORSHAM LANE EWHURST CRANLEIGH SURREY GU6 7SW

Guide Price £4,000,000 Freehold

A unique opportunity to acquire Hurtwood Park Polo Club having approximately 180 acres of stunning Surrey countryside. Currently operating with four polo fields and period club house/barn of around 3,000 sq ft. There are possible long term planning opportunities on some of the land.

Hurtwood Park Polo Club has been operating as a polo estate for over 25 years and the venue is currently used for parties, weddings and other social events and has hosted outdoor concerts. The clubhouse/barn was originally constructed in Sussex and re-erected on the current site in the early 2000s. This attractive building has a large vaulted social area with bar opening onto a substantial terrace, commercial kitchen, male and female WCs and stores. There is ample parking, the grounds have been beautifully manicured and the polo fields are kept mown and irrigated.

There is access off Lower Breache Road to the fields to the east and stabling. There are two footpaths crossing the land; one at Cobblers Brook and the other linking Lower Breache Road and Horsham Road neither of which interfere with the privacy of the estate.

Various Planning Briefs have been obtained by the current owners and residential planning permission is not considered to be a likely prospect. A hotel could be an option but interested parties would need to make their own enquiries with the Local Authority. We understand the Local Plan Review is in 2024.

Hurtwood Park Polo Club will appeal to those looking to undertake a wide range of equestrian pursuits either privately or commercially.
