THE PROPERTY

This character home has traditional tile hung elevations and retains features from its original era, but has been carefully updated with refitted bathroom and shower suites. There is a large glazed porch to the front of the property handy for coats and shoes leading to the hall off which is a cloakroom. The spacious sitting room has an attractive open fire with oak surround and to the rear of the house is a dining room which opens to the kitchen/breakfast room; both having oak flooring and outlook to the landscaped rear garden. A large utility room provides further storage and a built-in larder and has a door to a covered rear lobby and storeroom. Bedroom one enjoys a double aspect and has fitted wardrobes, drawers and shelves and a modern refitted en-suite shower room. Bedrooms two and three are a good size and are complemented by the family bathroom. The property has double glazing in keeping with its age and gas central heating.

THE GROUNDS

The low maintenance front garden has terraced shingle areas enclosed and well screened by established hedges and borders. Paved pathways lead to the front porch and side door and to the rear is a recently landscaped raised natural stone patio. A rear gate leads to a parking bay and detached single garage.
