THE PROPERTY

Formally a farm workers cottage, Home Cottage is a charming period home which has retained all its character, whilst benefitting from extensive renovation by the current owners. A modern rear extension with an oak-framed vaulted ceiling houses the re-fitted kitchen with oak worktops, wood effect porcelain flooring with underfloor heating, an open plan dining area and bifold doors to the south facing sundeck and extensive rear garden. The front aspect sitting room has a bay window with attractive plantation shutters, original strip treated floorboards and an inset Stovax wood burner. A modern bathroom and a handy under the stair's utility cupboard complete the ground floor. On the first floor are the 3 bedrooms. Bedroom 1 has fabulous far-reaching views of nearby farmland, a built-in cupboard and a range of fitted wardrobes and dressing table. Bedrooms 2 & 3 have rear aspect views over the gardens and towards the South Downs. For anybody working from home there is a high specification cedar clad gym/home office which is double glazed, heated, hard wiring for the internet, sown lawn and a raised sundeck overlooking adjoining countryside.

THE GARDEN AND GROUNDS

The property has off-street parking with a brick paved driveway leading to the detached garage which has power, light and an automatic roll style door and a workshop, with access from the rear of the garage. The large south facing rear garden has a sundeck, a level lawn which is enclosed by fencing and the purpose built gym/home office is located to the bottom of the garden with its raised sundeck providing an idyllic spot to watch the wildlife or the sun going down.
