An established detached chalet style bungalow requiring modernisation and with scope to extend, subject to planning permission and close to the center of Camlesdale.

THE PROPERTY

The property is set back from Marley Combe Road in a good-sized plot that gives the property plenty of scope for enlargement, or perhaps turning it into a more substantial detached house, subject to planning permission. The overall plot size is just under 0.2 acres and the house is being sold with the benefit of having no onward chain. There is adaptable and flexible accommodation over 2 floors, with the majority of the accommodation on the ground floor, which includes a front entrance porch which leads directly into the main living/dining room. From here there are the stairs that lead to the first floor. To the rear of the ground floor is bedroom 3, the bathroom, study area, a shower room and at the side of the property a kitchen with a front aspect. Bedrooms 1 & 2 are on the first floor, both have wardrobes and there is some space within the eaves. The property has gas central heating, double glazing and would suit a buyer who needs a ground floor bedroom & bathroom accommodation, but also a buyer looking for a much bigger project to create a 4 or 5 bedroom family home.

THE GARDEN AND GROUNDS

Outside there is a gravel driveway with an off-road parking space and a detached single garage. There are plenty of screening shrubs and trees at the front giving the property plenty of privacy and to the rear a large garden which slopes up from the property and has areas of a patio, a greenhouse and a number of established shrubs and trees.

SITUATION

On the edge of the South Downs National Park, Camelsdale village provides Arnolds Garage petrol station/convenience store, a popular school, tea room and the National Trust owned beauty spots Marley Common and Shottermill Ponds. In nearby Weyhill are Tesco and M & S Food along with local shops, cafes and restaurants. Haslemere town centre offers a comprehensive range of shops and boutiques including Waitrose, Boots and W H Smith, hotel, restaurants, public houses and coffee bars. Lythe Hill Hotel on the outskirts of the town has a spa and The Edge, Haslemere Leisure Centre, Haslemere Recreation Ground and Woolmer Hill all provide excellent sports facilities. There are numerous golf courses of high quality in the area and a good selection of highly regarded state and private schools. The main line station offers a fast and frequent service into London Waterloo in under one hour and the nearby A3 provides links to London, the motorway network and south coast.
