THE PROPERTY

The house was constructed originally in the 1960's and has been sympathetically enlarged to offer spacious and flexible accommodation. The original lounge runs from front to rear with operational open fireplace and the sizeable dining room could easily become a family room if so desired. The kitchen/breakfast room is also a good size. The bedroom accommodation takes advantage of the enlargement. There is the potential to create a master bedroom suite incorporating bedroom 2, shower room, bedroom 4/study and an area suitable for a dressing room. There are 4 bedrooms in all and a family bathroom.

THE GROUNDS

To the front of the property there is parking for 4 cars and a detached single garage. The garden is an undoubted feature, enjoying a high degree of privacy and is of excellent size. There is a sun terrace, lawned area and garden slope which has mature shrubs, plants, and trees. The rear garden is south facing.

SITUATION

Chiltlee Close is a small residential cul-de-sac of similar properties, ideally placed for the village centre and within walking distance of the local amenities including the mainline station with trains to Waterloo in just over the hour. It has highly regarded schools, including Bohunt Academy, and Liphook junior school, Churcher's College, and Highfield. Also within walking distance is Radford Park, a delightful area, offering woodland and walks. Liphook itself is surrounded by beautiful countryside, much of which is owned by The National Trust or set within the South Downs National Park. The A3 at the Bramshott junction provides access to Guildford, the M25, and London to the North, and to the South, Petersfield, Portsmouth, the M27, and the South Coast. The larger towns of Petersfield and Haslemere are close by with more extensive shopping and leisure facilities.
