An outstanding apartment for the over 55's living which is located overlooking acres of grass and woodland, in the highly desirable and sought after Bramshott Place. This is a retirement village offering a wealth of facilities complemented by wonderful grounds.

Westwood House is one of a select group of buildings within Tudor Court on the Bramshott Place development in Liphook, Hampshire. The property we are listing has lift and stairs access to its location on the second floor. This enviable position means there are no additional residents above us, and we enjoy breathtaking and unspoilt elevated views over the renowned grounds, which are one of the hallmarks of Bramshott Place. Within the apartment, one of the most apparent features is the overall size on offer, as well as the well-proportioned rooms within. The highlights are the main reception room which has a twin aspect, including a fantastic balcony, the well-equipped and considered kitchen/dining room and the principal bedroom with its double fitted wardrobe and marvellous en suite shower room.

There is also a spacious reception hall which gives access to all of the rooms, and a second double bedroom which could easily be used as a home office or second reception. Completing the internal accommodation is the family bathroom and two large hallway cupboards.

Parking is provided adjacent to opening ground floor doors to Westwood House. A short walk away is the development's Club House with all the facilities, beyond which is the open parkland and beautiful gardens designed by an award winning landscape architect.
