THE PROPERTY

Shomer Cottage has been in the same ownership for 50 years, a much loved character home with beautiful gardens that now offers the opportunity for the new owner to modernise and extend the property subject to planning permission. Set back from this country lane the property enjoys a lovely semi-rural and picturesque setting with the accommodation arranged over 3 floors. On the ground floor are two reception rooms, the front aspect dining room and central living room which has an open fireplace, door to the rear garden and a stable door to the kitchen, Bedrooms 1 & 2 are located on the first floor both with their own views to fields and trees, complimented by the bathroom, with bedrooms 3 & 4 on the second floor enjoying the same delightful rural aspect.

THE GROUNDS

The cottage is approached by its generous shingle driveway, lawned front garden, entrance area and car ports which leads to a single garage. Between the garage and the cottage is an attractive red brick paved terrace which has a shed and spills out onto the well maintained level lawn flanked by level and well stocked flower and shrub borders enjoying an established wooded back drop.
