**This attractive three-bedroom semi-detached home, built in 2019, is situated on the edge of Liphook village in the popular Oak Park development.**

**THE PROPERTY**

The property offers a well-designed layout, and benefits from looking out to a green open space at the front and a rear garden which is not overlooked, a rarity on modern developments.

Inside, there is a good size front-facing living room which also leads into a spacious kitchen/dining room with double doors opening to the rear garden. The kitchen is equipped with sleek, gloss-finish units, chrome cooking appliances, and an integrated fridge freezer. Additionally, there's a convenient downstairs W.C. and an under-stairs cupboard.

The first floor comprises a principal bedroom with an en-suite shower room, two further good-sized bedrooms, and a family bathroom.

## THE GROUNDS

Outside, the south-easterly facing rear garden is enclosed by a mix of walls and fencing, with areas of patio and lawn. The garden is well screened from neighbouring properties and benefits from not being overlooked. A side gate provides external access. A standout feature of the garden is the beautiful garden cabin, built just two years ago. This versatile space could serve various purposes, such as a home office, gym, or playroom. The property also benefits from two allocated parking bays.

## SITUATION

Set within the Oak Park development, the property is conveniently located between Liphook village centre and the Griggs Green area. Liphook itself is within walking distance and offers excellent amenities, including schools for all ages, local and national shops such as Sainsbury's, a cinema, and a mainline railway station. The area also boasts a variety of recreational facilities, fine pubs, restaurants, and the nearby Old Thorns Country Club & Hotel, which features a renowned golf course and spa. Additionally, there's a fantastic network of footpaths and walking routes, including the Shipwrights Way and Weavers Down. Liphook's surrounding natural beauty, much of which lies within the South Downs National Park or is owned by the National Trust, makes it a perfect location for nature enthusiasts.
