THE PROPERTY

Situated on Rupert Road, just a short distance from Guildford town centre, this attractive two-bedroom semi-detached home has attractive red brick and rendered elevations and offers ample scope to extend subject to the usual consents.

The inviting living room at the front of the house features a beautiful cast iron fireplace, while the rear dining room, complete with a tiled fireplace, flows seamlessly into the kitchen. Stripped floorboards run throughout the ground floor, enhancing the home's character. The kitchen, newly fitted in 2021, offers contemporary cream units paired with a beech work surface, an electric oven, induction hob, and a stainless steel sink.

Upstairs, the master bedroom benefits from built-in storage, while the second double bedroom overlooks the garden and also includes built-in storage. The bright and airy bathroom is fitted with a white three-piece suite, including a shower over the bath.

Additionally, both the cellar and loft offer exciting potential for conversion, subject to the necessary planning permissions.

THE GROUNDS

A standout feature of this property is the larger-than-average town centre garden, primarily laid to lawn, with the added convenience of side access. A cellar, spanning the entire footprint of the house, is accessible from the garden and includes a utility area.
