### THE PROPERTY

Peacefully located on the western side of the town close to National Trust land, the property comes to the market for the first time in over 17 years and has been improved and extended by the current owners to create a well equipped open plan kitchen/breakfast room overlooking the garden that has become the heart of the home and is flooded with light from the south west facing windows. The front aspect dining room with bay window is a fabulous place for dinner parties having parquet wood flooring and corner wood burner. There is under floor heating beneath the engineered oak flooring in the living room which also has an open fireplace and bi-fold doors spilling out onto the sun trap patio. There are three bedrooms on the first floor and a smart bath/shower room with white suite and Travertine tiled floor. Features of note include the ornate coving, ceiling roses, period style radiators, cellar, extensive composite marble worktops, Neff induction hob, integrated oven, dishwasher and Karndean flooring in the kitchen, attractive double glazed sash style windows and wooden flooring in the hall, dining room and living room.

## THE GROUNDS

The house is set behind mature hedging with a brick paviour driveway to the side providing off road parking. At the rear is a neat garden, predominantly laid to lawn with mature beds, which enjoys a south westerly aspect. Features include a wooden summerhouse and limestone sun trap patio linking the breakfast and living rooms, which is ideal for al fresco dining and entertaining. The whole garden enjoys an excellent degree of privacy.

## SITUATION
