THE PROPERTY

Manesty Cottage was built around 1880, and enjoys a tucked away location just off the picturesque village green, which is surrounded by a handful of charming, characterful period homes and the village pub, The Red Lion.

The cottage has the perfect blend of character, features and feel, offering stylish modern living with adaptable and flexible accommodation. The property was enlarged in 2021 by the current owners, and this has created a light filled kitchen/breakfast/dining room, beautiful oak flooring and doors opening onto the terrace and gardens. Elsewhere on the ground floor there is a double aspect sitting room with fireplace and woodburner, study, fourth bedroom, shower room, separate cloakroom and boot room. On the first floor the master bedroom enjoys the stunning views and a selection of built-in-wardrobes. Bedrooms two and three also have built-in wardrobes, and there is a family bathroom. The property has gas central heating and double glazing throughout.

GARDENS AND GROUNDS

Manesty Cottage is presented by its driveway leading to the attached garage which has light and power with the roof extending over the covered entrance area. The garden wraps around the three remaining sides of the cottage, with an established screening hedge to the front and the L-shaped rear garden having a broad paved terrace on two sides, leading onto the well maintained level lawns, bordering the garden are well stocked flower and shrub borders and directly outside the dining room is a large paved terrace, perfect for outside dining. The area enjoys an excellent degree of privacy and a south easterly aspect.
