THE PROPERTY

As the illustrations show, there is a fantastic opportunity to re-build or wrap around and extend from the current structure which is currently 2300 sq ft.

The ultimate size could extend in the region of 3800 sqft of accommodation over the one level (with the exception of the elevated viewing pod). Or, a further gain of 1000 sqft could be utilised from the current loft area. We understand there isn't restriction of use of height and the majority of the nearby neighbouring properties are 2 story dwellings. Should future owners wish to have some further clearance of the trees, there are no TPO's on the site, so this can be done with relative ease.

In our estimation, the value of the property would be in the region of £2,000,000 if plans were followed and executed as intended.

We are currently offering this opportunity to our client base ahead of scheduled broader online promotion.

THE GROUNDS

Tregantle is tucked away and enjoys secluded and partially level site, with its own private gated driveway. The grounds are a key feature, offering an expansive lawn, various outdoor entertaining areas, and undulating woodland. Several outbuildings compliment the estate, and the surrounding greenery provides excellent privacy. Natural light floods the immediate vicinity of the property, enhancing its sense of openness and connection with nature.
