THE PROPERTY

This attractive red brick bay fronted property has been extensively modernised and refurbished to an exceptional standard and is offered to the market with no onward chain. In their ownership the current vendors have undertaken a whole host of significant improvements whilst maintaining the charm and character of the property. Although recently lapsed, planning permission was approved in 2022 for a 2 storey rear extension ideal for a growing family. A real highlight of the house is the fabulous kitchen/dining/family room which enjoys a view directly onto the pretty West-facing garden and recreation ground beyond. The Wren kitchen features a full range of integrated appliances, quartz worktops, boiling water tap and natural wood flooring blending the kitchen seamlessly with the family room. On the first floor are two light and airy double bedrooms complimented by a luxuriously refitted family bathroom. The windows have been replaced using UPVC sash style units with the family room having contemporary styled dark grey double glazed windows. Other features of note include downstairs cloakroom, new gas boiler in 2017 and a new main roof in 2016.

THE GROUNDS

Outside at the front is the driveway with off street parking and lawned front garden. The porch and entrance area shows off the attractive front door. There is gated side path access to the rear garden which is level and well maintained and has a patio and seating area. It enjoys a mainly Western aspect with a good size garden shed and gate with direct access to the Recreation Ground.

SITUATION

On the edge of the South Downs National Park, Camelsdale village provides Arnolds Garage petrol station/convenience store, along with a Londis corner shop, a popular school and the National Trust owned Marley Common and Shottermill Ponds.
