THE PROPERTY

Having been home to the current vendor for over 50 years, the property also benefits from previously approved planning permission (2013) to extend, offering excellent scope to further enhance and add value if required. Internally, the accommodation includes a 20ft front aspect living room featuring an inglenook style fireplace with wood burner, leading through to a sunroom off the main living area. The kitchen is fitted with modern units and integrated appliances, with access to the rear. A ground floor shower room provides added convenience and could be converted into a utility space if desired. Upstairs, three bedrooms and a family shower room offer practical living arrangements, with the principal bedroom benefiting from a dual aspect and fitted wardrobe space. Situated in a semi-rural location along the Petworth Road, the property enjoys a peaceful setting surrounded by agricultural land and farms. Additional land has been acquired by the owners, including a separate detached annex alongside a large outbuilding with generous storage and workshop

THE GROUNDS

The property is approached via a 5 bar wooden gate into it's large shingled driveway with parking space for several cars. A paved path leads to front door and entrance area. The cottage is centrally positioned in it's stunning plot, where the gardens are a particular highlight, thoughtfully landscaped with a rich variety of flowering shrubs, ornamental trees, established hedging and striking wisteria cladding. To the rear is a wide paved sun terrace giving beautiful vistas over the rear garden and surrounding countryside, complementing the front view of the downs
