THE PROPERTY

This exceptional 3 bedroom home stands out with its striking blend of tile-hung façade and large windows, most distinctive of its era and offering 1062 sq ft of internal accommodation.

The impressive open-plan kitchen, dining, and living area covers the width of the rear of the property and will make a fantastic so space for cooking, relaxing and entertaining. Bi fold doors lead you out to the southerly facing rear garden. There is also a living room situated in the front of the house. Furthermore, there is the addition of a second bathroom which comprises a walk-in double shower and w/c.

Upstairs, there are three generous bedrooms, two with fitted wardrobes. There is also a brand new bathroom suite added, with crisp white sanitaryware and rich gold furnishings.

THE GROUNDS

The outside areas are equally impressive. Being the end of a terrace, we are gifted a larger than usual amount of ground. The front is mainly laid to lawn with flower beds and miniature wall around the perimeter. A gate leads to a side garden, which is laid to patio. The rear garden has an extensive patio spanning the width of the garden which in turn leads to an area of freshly laid lawn. A brick build garden studio sits in one corner of the garden. The property comes with a garage which enjoys direct access from the rear garden as well as having an up and over door to the front.

SITUATION

Right in the centre of the village, one couldn't ask for a better location. Just across the road from the property lies a Sainsbury's supermarket, whilst other nearby facilities including doctors' surgeries, library, millennium hall, well regarded schools, and the mainline station are all within easy walking distance. For the motorist, the A3 which can be accessed in little over a mile, provides good links to both north and south bound. The surrounding countryside is noted for its natural beauty, much of which is owned by the National Trust or sits within the South Downs National Park and provides an abundance of open space and good walks.
