**THE PROPERTY**

This impressive family home, built by Cala Homes in 2019 was cherry picked for having the best location on the development, right at the end of the cul de sac adjoining a paddock and overlooking scenic woodland. Great care and thought has gone into the design and layout of the property with the current owners making further stylish improvements, in particular the fitted oak cabinetry in both the study and living room, along with the professional landscaping in the rear garden. On the ground floor is the sleek open plan kitchen/dining room, study/family room, living room, utility room and cloakroom. The main bedroom has both a separate dressing room and ensuite bathroom. Guest bedroom two also has an en suite shower room, with bedrooms two and four benefiting from built in wardrobes.

## THE GROUNDS

The property is approached via an extensive block-paved driveway providing ample off-road parking, leading to a detached double garage. A paved footpath and neat screen hedge lead to front porch and entrance area. The rear garden has been superbly and professionally landscaped and enjoys a sunny south west facing aspect with views onto the adjoining paddock. Designed for both entertaining and relaxation, the garden features a shaped central lawn bordered by well-stocked flower and shrub beds, attractive paved pathways and two paved terraces ideal for al fresco dining at different time of the day
