GUILDFORD, SURREY, GU1 3SA

This attractive Victorian home enjoys handsome red brick elevations with lighter brick quoins and window reveals, creating excellent kerb appeal beneath a traditional slate tiled roof. Set in a quiet yet highly convenient central Guildford location, the property benefits from off-street parking to the front, a particularly rare and valuable feature for homes in this part of town. The house has been tastefully appointed, thoughtfully modernised and exceptionally well maintained throughout.

On entering the property, a welcoming hallway leads to the front living room, where fitted cabinetry and a fireplace create an inviting focal point. Wooden flooring continues from the hallway through double doors into the dining room, providing an excellent space for entertaining, with French doors opening directly onto the garden. The well-equipped kitchen is fitted with modern cream shaker-style units, an integrated single oven, gas hob, stainless steel splashback and cooker hood, stainless steel sink and integrated dishwasher, with space for a freestanding washing machine.

The first floor comprises two double bedrooms and two bathrooms. The principal bedroom enjoys a rear aspect overlooking the garden and features full-height fitted wardrobes together with a contemporary four-piece en-suite bathroom, including a bath, walk-in shower, vanity unit, WC and heated towel rail. A further double bedroom sits to the front of the house, also benefitting from built-in wardrobes, and is served by a stylish modern shower room off the landing.

The lower ground floor offers excellent flexibility, with two generous double rooms that could be used as further bedrooms, guest accommodation, a home office, cinema room, gym or hobby space. A useful cloakroom also serves this level.

The rear garden is a particular highlight of the property and is unusually private for such a central town centre setting. Thoughtfully arranged over three levels, it provides a series of attractive outdoor areas ideal for relaxing, entertaining and low-maintenance enjoyment. A patio area is accessed directly from the dining room, with steps rising to a decked seating area, followed by a pebbled section and a further upper decked terrace. The garden is well screened by close-boarded fencing, mature planting, partial brick walling and trellis, creating a calm, sheltered and secluded outdoor retreat rarely found so close to the town centre.
