Live life your way

with Retirement Living

Our Retirement Living properties offer the perfect blend for many, from the independence of your own beautiful property in a convenient location, to socialising with neighbours as much or as little as you wish.

It's easy to host family and friends too, as you can book them into the Guest Suite[^], which has en-suite facilities.

Taking care of you and your home

As part of the Services team, the House Manager, on-site during the week*, is the friendly face who takes care of the day-to-day running of the development.

We manage the maintenance of the exterior of the property, upkeep of the communal areas and arduous tasks that keep the shared garden looking lovely.

An annual service charge (paid monthly) covers the provision and maintenance of the emergency call system, lifts, intruder alarm and door camera entry. It also covers the gardening along with the general upkeep of the exterior of the development and all communal areas.

Live life your way

If you enjoy science and nature, the neighbouring town of Haslemere

has an educational museum hosting exhibitions and events – with a remarkable collection of natural history, human history and geology. The conservation area of Radford Park with its woodland, riverside walks and tranquil mill ponds is less than half a mile away.

There's plenty of greenery, parkland and sports clubs with facilities such as a golf, bowls, football and cricket club in the nearby area.

The centre of Liphook also includes regular bus services to Alton and Haslemere. The train station is approximately half a mile south of Flora Place and provides services to London, Portsmouth and Southsea.

Just further north, is the pretty Sculpture Park with up to 600 sculptures in ten acres of arboretum and wildlife inhabited water gardens.

You'll be well looked after in Liphook

Designed with the over 60s in mind, Flora Place is built to high standards and is an ideal place to live life your way.

Designed

with you in mind

Flora Place falls just outside of the Liphook Conservation Area and is sensitively and traditionally designed to draw on features from the local range of architectural styles, with materials predominantly made up of brown and red brickwork, hung tiles with some render detailing.

Inside, the stylish reception area offers a welcome to homeowners, friends, and family alike. You'll soon discover the communal lounge. This is the social hub of the community.

From catching up over a morning coffee to a lively social evening event, this light and airy space is where our community can spend time together. If you just want to relax with a good book or a newspaper, there are lots of quiet spaces too.

Attractive outdoor spaces, including a communal garden to the west of the building, together with a patio area to the east, and extensive tree and hedge planting throughout create a peaceful garden haven.

Every plant, shrub and tree has been carefully selected for their vibrant colours or subtle hues and to provide interest throughout the seasons.

The perfectly tended beds create a wonderful spot for socialising or soaking up some sun during the warmer months.

If you're the green fingered sort, there's a potting shed so you can prepare and care for your own cherished pots and planters.

The service charge explained

To keep our developments running smoothly and to provide the facilities and support, a service charge is payable. If you have not paid a service charge before you may have questions about how this works.

When you consider the services available at Flora Place and then compare these with the facilities and running costs of your current property, we believe you will find it represents good value for money. The service charge is calculated annually and paid in monthly instalments.

It's important to note that we do not make a penny from the service charge. The costs incurred to run our developments and support our customers are all re-charged with no mark-up or other fees added by us. This includes our management fee, which covers our back-office support teams. Any future change to this position will be clearly communicated.

Services covered include providing and maintaining:

- Access to on-site staff (hours may vary)
- The 24-hour emergency-call and intruder-alarm system
- The door-entry camera, linked to your TV
- Grounds maintenance and general gardening work
- Building repairs and general maintenance costs

- Buildings insurance
- Window cleaning (outside only)
- Water and sewerage costs
- Heating, lighting and cleaning of all shared areas
- Management Fee

More information on this can be found in the service charge section on Flora Place's web page.

Contingency Fund

Where larger repairs and asset replacement (such as lifts or the roof) are needed, alongside regular renovations; these costs are covered by a Contingency Fund – this is created through a fee that's included in the service charge.

As well as the regular payments as part of the service charge, the contingency fund is further 'topped-up' through contributions paid when the apartment is either sold to a new owner or let out to a new tenant. The percentage payable is set out in your lease.

We keep this cost at an appropriate level to maintain the development for everyone's benefit.

When you're ready to find out more, we will happily explain these charges in more detail.
