THE PROPERTY

Being sold with full vacant possession, this is a great opportunity to put your own styling and stamp on a property because whilst habitable, it would benefit from updating throughout. These houses are always popular due to their design and location and are very investable but equally, great to get on the property ladder. Its benefits include a ground floor cloakroom/wc, an impressively sized living room with direct garden access, a fitted kitchen and upstairs, 2 good doubles and a 3rd single bedroom with a bright and light bathroom completing the accommodation.

THE GROUNDS

To the front, a level lawn leads to the house and at the rear, is a pleasant rear garden, mainly laid to paving but with a few mature shrubs and bushes. Enjoying a sunny aspect, the garage for the house can easily be accessed through a rear personal door in the garden meaning there's relatively easy potential for an EV charging point.
